POWERED BY NOLOGO / BASE IN TAIWAN

OUR STORY

NOLOGO is composed of a group of interdisciplinary experts. We are driven by a sincere desire to help our clients grow and develop through our professional knowledge in design, manufacturing, and cross-domain technology integration. We understand the value of the overall atmosphere created by enterprises, brands, and creators and its impact on audiences. The market lacked a cross-disciplinary one-stop design service for companies of all sizes, so we started building a comprehensive design service platform from scratch.

This is how NOLOGO was born.

We aim to create a one-stop design service platform. We provide corresponding talent for the needs of clients in various industries, and together we develop customized solutions.

NOLOGO的故事

NOLOGO由一群跨領域專家組成的品牌設計顧問團隊，願景是透過我們的設計、開發和跨領域技術整合的專業知識，幫助客戶成長和發展。

我們深知企業、品牌和創作者所營造的氛圍對受眾的影響力。然而，市場上並沒有針對各規模企業提供的跨領域一站式設計服務，因此我們從零開始構建了一個全方位的設計顧問團隊。

這就是NOLOGO的誕生。

我們打造了一支一站式設計顧問團隊，針對各產業的客戶需求，提供相應的專業人才，共同構思和開發專屬的解決方案。
